

Media release, Wimbledon Hockey Club

Wimbledon strengthen the team ready for the 19/20 season!!!

Amazing times at Wimbledon Hockey Club!

After the recent success of resigning all of Wimbledon's 8 Great Britain International players, the club are delighted to announce the signing of a new Men's 1st team Head Coach; Karl Stagno. Karl will combine this role with his job as Director of Hockey at Whitgift School.

Simon Organ will continue to be Head Coach for Ladies' 1st team, who narrowly missed out on Premiership promotion last year.

Hockey Director Simon Organ believes "having a coach of Karl's experience was crucial for the continued development of our 1st team, and the positive knock on effect it will have to the other club teams. We have a lot of Junior players who are at Whitgift, so will be great to complete the circle".

"I am also delighted to announce that all our Great Britain players are remaining at Wimbledon. Aside being top players, they also give a lot back to our youth with coaching and at our Wimbledon Hockey Camps".
