# THE WIMBLEDON CLUB

Floor to ceiling windows, balconies and modern purpose built spacious rooms combined with the famous parkland setting make this venue a breath of fresh air on the London scene.

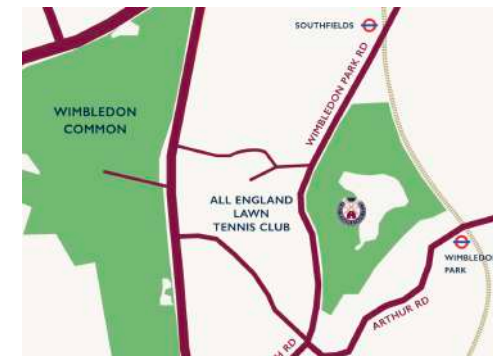

Spaces work well for many uses as well as the graceful grandeur of more formal occasions. Children's parties, discos, work events, launches, exhibitions, fundraisers, classes and bridge are among the regulars.

## *About*

The club is one of the biggest community sports centres in the area and a venue for VIP hospitality and world class events in the sporting year.

As well as the clubhouse, the nine acre site has a cricket pitch, 16 tennis courts, five squash courts and parking. Hockey pitches are offsite.
